Nagpur, MAHARASHTRA(44025) | (+91) 9764327484 | prathamesh.vijaywar@gmail.com

OBJECTIVE

Has the ability to gather, organize, analyze and interpret a wide range of information. I have a keen eye for detail, with a tendency to go into the depth of a matter. An inquisitive individual who is keen to continue learning and expanding their horizons of knowledge.

TECHNICAL SKILL

- **SQL** • **Express js** • **Mongodb** • **React js** • **Node js** • **Python** • **C/C++** • **Tableau**

EDUCATION

Bachelor of Technology (B.Tech), Information technology 2020 - 2024
Yeshwantrao Chavan College of Engineering, Nagpur **7.84 CGPA**

INTERNSHIP

Full Stack Development Intern

Maestro Intellect ITD | 6 Months

Focused on front-end development, creating responsive user interfaces with HTML, CSS, JavaScript, and React. Enhanced skills in building user-friendly and visually appealing web applications.

PROJECTS

- **Real-time yoga posture detection and correction using yolov8**
  Led a project to make a system that spots and corrects yoga poses in real time. Created a set of yoga pose examples, trained a computer program to find key points in poses, and made it work live on image, video & webcam. Added a feature to help people fix their poses as they do yoga. Made the system easy to use with a friendly design using streamlit.
- **IPL Dashboard: Visualizing and Analyzing the Complete IPL Dataset (2008-2020) with Tableau and Microsoft Excel**
  This project involves implementing a comprehensive dashboard utilizing the IPL Complete Dataset (2008-2020) and IPL Ball-by-Ball Dataset (2008-2020) to explore and analyze IPL matches and player performance, uncovering valuable insights.
- **LAN-Based Chat App**
  Developed a LAN-based Chat App using Python, enabling seamless communication within a local network. Implemented robust features for real-time messaging, ensuring a secure and efficient platform for instant communication.
- **NewsHub - Real-Time News Application**
  Built a responsive news app with React.js that uses News API to display real-time global news. The app has an easy-to-use interface for browsing and reading articles from different categories.

EXTRA-CURRICULAR ACTIVITIES

- Member of Kalasparsh - The art club in the year 2022.
- ITECHROOTS - Co-head (box cricket).
- SPANDAN - Participate national conference on advances in engineering technology and applied sciences 2023.
- Part-time financer

HOBBIES

- **Cricket** • **Exercise** • **Cycling**
